

Meeting Minutes – Prepared by William Wadsworth

Date: 4/4/2024

Time: 1:45 PM – 2:35 PM

Location: Cyber Security Lab

Attendees:

- Anthony
- Corey
- Dylan
- Parker
- Will
- Zach

Meeting Contents (3):

1. Corey implemented a fantastic GUI.
2. Things left to do:
 - a. Implement passive and/or active aggregation – Anthony
 - b. Add delays, possibly as a module – Parker
 - c. Implement a GUI for the customer, and for backend – Corey
 - d. Write a user manual – Zach, Will
 - e. Create a defect log – Zach, Will
 - f. Write a time management document with our milestones – Zach
 - g. Plan 30 minute presentation based on rubric – Dylan
 - h. Add Paris items like plane, monthly charges, etc. in modules and CSVs – Anthony
3. When the simulation is all if not mostly finished, back it up (preferably record it).
